(3) That the debtor has a right to present evidence that all or part of the debt is not past-due or legally enforceable; and

(4) A mailing address for forwarding any written correspondence and a contact name and phone number for any questions.

(d) A debtor who receives a Notice of Intent has the right to present evidence that all or part of the debt is not past-due or not legally enforceable. To exercise this right, the debtor must:

(1) Send a written request for a review of the evidence to the address provided in the notice.

(2) State in the request the amount disputed and the reasons why the debtor believes that the debt is not past-due or is not legally enforceable.

(3) Include with the request any documents which the debtor wishes to be considered or state that additional information will be submitted within the remainder of the 60-day period.

(e) The failure of a debtor to respond as provided in paragraph (d) of this section will result in an automatic referral of the debt to the IRS without further action by NSF. If the debtor responds, NSF will consider all available evidence related to the debt and issue a written determination, including supporting rationale, whether its prior determination that the debt is past-due and legally enforceable is sustained, amended, or canceled. Before this determination is made the matter shall be referred to the NSF Office of General Counsel for legal review. NSF will give prompt notification of this determination to the debtor.
